

Dear Ohio Self Insured Administrator:

The Ohio Self Insurers Association (OSIA) is pleased to offer a one day educational seminar. A select panel of experts will provide valuable information for those individuals with day to day responsibilities in the administration of a company's self-insured workers' compensation program.

The seminar will be held at Quest Business Center on Friday, January 22, 2010. The fee for the seminar is \$120.00 for the first registered employee of a company that is an active member of OSIA. Additional employees from the same company will be \$100.00 per attendee. For companies that are not OSIA members a fee of \$150.00 will be charged per attendee. A continental breakfast and lunch will be provided. Please note, advance registration is required.

We have applied for five (5) CLE credit hours.

The deadline for registration is January 11, 2010.

In this brochure you will find the registration form and seminar agenda. If you have any further questions, please contact Kathy Parrett at (614) 875-7838.

On behalf of the OSIA, we look forward to your participation.

Sincerely,

Denise Evans and Bryn Vallongo
Co-Chairs, Education Committee
